## Profile

### Address

Rothschild 57, Petah Tikva

### Date of Birth

26.4.1991

### Language

- Native Hebrew
- High Level English

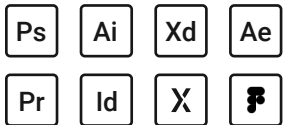

Hi, I'm Daniel!

I'm a creative, curious, and highly motivated Product Designer, who lives & breathes the UI/UX industry and understands the product's lifecycle from the idea/problem to the most appropriate design solution.

A great team player with high interpersonal abilities, who knows how to collaborate with all kinds of teams and stakeholders with different skills. Excited to solve complex problems by using modern and innovative design principles.
